

# Enrique Flores Blanco

## Front-End Developer and Designer

kikeoffline@gmail.com • <https://kike.work> • +505 88 98 43 57 • Managua, Nicaragua | Florida, USA

### EXPERIENCE

#### Engineering Team Lead

##### Nicasource

Feb 2021 - Present

I collaborate with an amazing team of engineers and project managers to develop and maintain web applications. Responsible for the migration of marketing sites from Wordpress to NextJS/StrapiCMS stack. Leading the maintenance cycle of a ReactJS web application.

#### Web Development Lead

##### Boombit Agency

Mar 2019 - Nov 2020

Mentor Boombit's web development team. Ensure that best practices are upheld for UX/UI design, web development and technical execution. I collaborate with developers, project managers and other subject matter experts to scope projects and lend insight.

#### UI/UX Designer

##### Boombit Agency

May 2017- Mar 2019

Web designer for various international and regional brands. Designer and developer of landing pages and marketing sites using elementor and other page builders.

#### Creative Director & Front-End Developer

##### Sheep Head Apps

Jan 2015 - May 2017

Designer and frontend developer of Sheep Head Apps products. Led a team of WordPress theme developers.
